- **Commonwealth of Virginia, Postgraduate Professional License**, Emotional Disturbance K-12, Specific Learning Disabilities K-12, Elementary Education PREK-6, Mental Retardation K-12, Severe Disabilities K-12.

Professional Experience

Adjunct Professor, Spring 2008, George Mason University, Fairfax, VA.

- College of Education and Human Development, Applied Behavior Analysis Certificate Program. Applied Behavior Analysis: Assessment and Intervention (EDSE 623)

Behavior Analyst, 01/2004 – Present, Alternative Behaviors, LLC, Falls Church, VA

- Functional Behavioral Assessment (FBA) and summary of assessment information.
- Assist your family on the implementation of a written Behavioral Intervention Plan (BIP).
- Develop specific individualized interventions and strategies to address behavioral issues.
- Assist families in conducting Functional Behavioral Assessment (FBA), summarizing assessment information in useful and meaningful ways and developing Behavioral Intervention Plan (BIP).
- Provide specific training to parents or other professionals on functional behavioral assessment, behavior interventions, and/or related subjects.
- Work with families that are seeking help in dealing with challenging behaviors at home and/or school.
- Design, Implementation, and Supervision of Programs based on B.F. Skinner's (1957) Analysis of Verbal Behavior.
- Work with families of children with ADHD, Adopted/Post-Institutionalized Children, Asperger's, Autism, Bipolar Disorders, Emotional Disabilities, Mental Retardation, PDD, or any other condition that impacts children's behavior.
- Teach social, organizational, and self-advocacy skills to young adults and adults with Asperger's Syndrome in Middle School, High School, and College; as well as providing support with independent living skills and career transition.
- Facilitate communication and advocacy for adults with Asperger's Syndrome and their employers in order to obtain reasonable accommodations at work.
- Social Skills Training (Individual and Groups Sessions for children and adults with Autism Spectrum Disorders).

- Contribute to the knowledge in behavior analysis by presenting workshops for professionals and parents in Virginia, Maryland, Indiana, and Iceland.

Behavior Consultant, 01/2006 – 10/2007, Neuropsychological Family Therapist and Associates, Alexandria VA

- Functional Behavioral Assessment (FBA) and summary of assessment information.
- Assist families in conducting Functional Behavioral Assessment (FBA), summarizing assessment information in useful and meaningful ways and developing Behavioral Intervention Plan (BIP).
- Work with families that are seeking help in dealing with challenging behaviors at home and/or school.
- Work with families of children with ADHD, Adopted/Post-Institutionalized Children, Asperger's, Autism, Bipolar Disorders, Emotional Disabilities, Mental Retardation, PDD, or any other condition that impacts children's behavior.
- Contribute to the knowledge in behavior analysis by presenting workshops and parent trainings in Virginia, Maryland, Indiana, and Iceland.
- National and international work (i.e., West Virginia, Ireland, Canada, and Iceland), and presentations on effective treatments based on the principles of Applied Behavior Analysis with the post-institutionalized child.
- Work with post-institutionalized children from Eastern Europe, South America, Asia, and domestic.

Psychology Intern, 11/2004 - 10/2005, Northern VA Training Center, Department of Residential Services, Home Unit 1, Fairfax, VA

- Conducted functional assessments, developed instructional procedures based on outcome of those assessments, trained family members and workshop personnel in implementing those procedures, and oversaw their implementation and made decisions based on the data provided by the implementers.
- Conducted numerous empirical stimulus preference assessments for a group of individuals with profound mental retardation and multiple handicapping conditions. Altered the living environments of clients to incorporate many of the stimuli determined by the assessments to be preferred (as well providing the clients the means to operate the stimuli provided).
- Conducted school, workshop, and facility based consultation of a behavior analytic nature during this time.

Special Educator, 07/2004 – 06/2005, Timber Lane ES, Fairfax County Public Schools, VA

- Assisting school teams in conducting functional behavioral assessment (FBA) and summarizing assessment information.
- Assisting school teams in identifying, understanding and implementing behavioral interventions. Consulting with school teams on the development of a written behavior plan as part of a collaborative process; attending team meetings to facilitate process.
- Consulting with school staff and area staff on a wide range of related special education issues. Supporting school staff in developing specific interventions for individual students and general strategies for analyzing and addressing other behavior issues.
- Providing specific training for staff on functional behavior assessment, behavior interventions, and/or related issues. Providing direct services to students with Autism, Asperger's and Emotional Disabilities.
